About Anderson County

The county lies just along I-85 in the northwestern portion of upstate South Carolina, equidistant to Atlanta, GA and Charlotte, NC. The area, with one of the lowest costs of living in the United States, is a thriving industrial, commercial and tourist center. With more than 15 universities and colleges within 50 miles of Anderson, there are many great higher education options for students. With all of the education options, Anderson County has the integrated resources available to help train and develop a highly skilled workforce with the prestigious education and training programs of institutions including Anderson University, Clemson University, and Tri County Technical College. Anderson County is also home to 55,950-acre Hartwell Lake, a U.S. Army Corps of Engineers lake with nearly 1,000 miles of shoreline for residential and recreational use. Its communities have a small-town feel that make people want to stay. From a temperate Southern climate and Lake Hartwell to leading universities and a variety of arts programs, Anderson County offers an unmatched combination of quality of life features that makes for an ideal location for all of its
